Northside Hospital

**Emergency Room Registered Nurse**

Atlanta, GA

08/16- current

Provide skilled nursing care in [ICU/CCU/Medical Surgical/NICU/L&D] units, delivering top-notch patient support and monitoring vital signs.

Collaborate with a multidisciplinary team to develop and implement comprehensive care plans, ensuring effective patient treatment and recovery.

Administer medications, IV fluids, and treatments as prescribed, maintaining accurate documentation of patient records.

Handle critical situations with composure, making quick and informed decisions to ensure patient stability and safety.

Educate patients and their families on treatment procedures, medication management, and post-discharge care instructions.

Comply with hospital policies, procedures, and infection control guidelines to maintain a safe and sterile environment for patients and staff.

Utilize excellent communication skills to interact with patients, families, and healthcare staff effectively.

Arnold Palmer Children's Hospital

Orlando, FL

**Registered Nurse**

2/12- 12/14

In this job I take radiographic images, I use my knowledge of radiation protection, procedures and hospital protocols to ensure the best quality radiographic images are obtained with the least amount of exposure to the special population of pediatrics.

Olive Garden

Orlando, FL

**Server**

2/12- 10/12

In this job I serve food and beverages to all guests. This job prepares me with communication skills and interpersonal skills with fellow coworkers.

Seminole State College

Orlando, FL

**Science Tutor**

11/09-12/11

I tutored the sciences; biology, chemistry I & II, and anatomy and physiology. This job prepares me with communication and reasoning skills that are transferable to any modality.
